

# Designing innovation architecture

**TOP SPOT – Top 500 Innovators program alumni  
success stories**

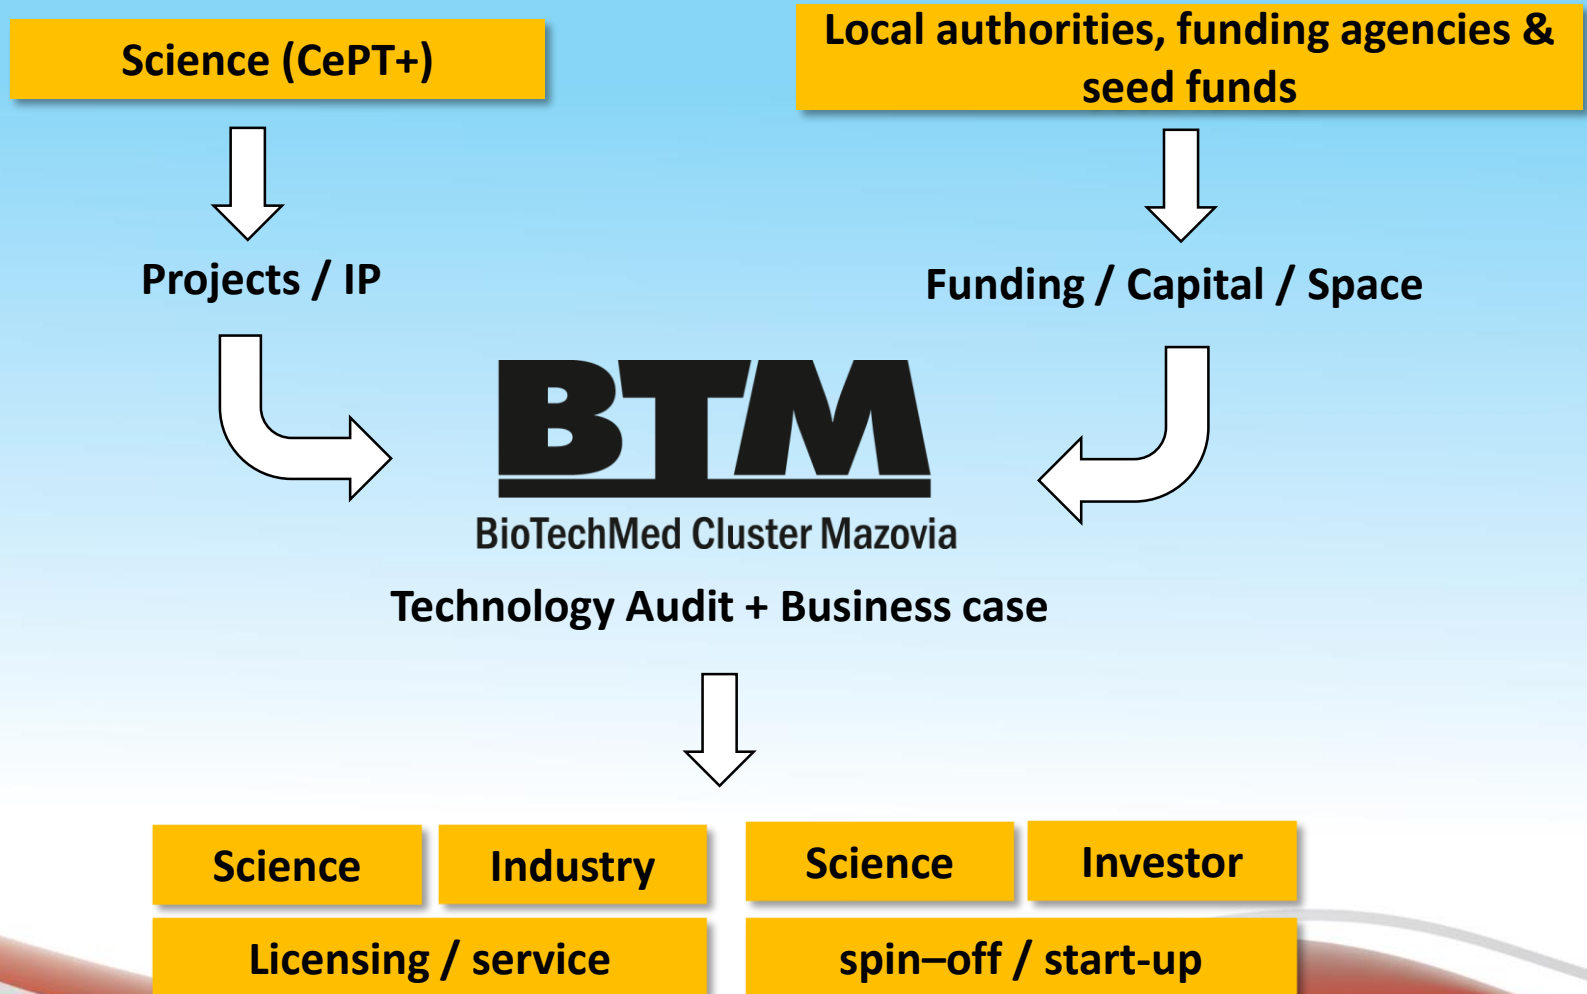

# The Challenge

How to optimize technology transfer in Polish conditions (institutional, cultural, financial)?

# Our Solution

Professional, external, independent tech transfer unit  
for many research institutions.

# How it Works

# Where's the Magic?

**Scale** - critical mass – sustainable deal flow

**Structure** – commercial target model & accountability

**Support** – professionals with sector-relevant experience

**Space** – cooperation by building trust and entrepreneurial culture

# Current Status and Future Plans

## Current Status:

- 5 new companies established and operating so far
- Great Team
- Public funding secured:-)

## Plans:

- Scaling up: More companies! More entrepreneurs!
- Virtual Institutes!

# Thank You!
