

DT4U Design Thinking Workspace at Lodz University of Technology

**TOP SPOT – Top 500 Innovators program alumni
success stories**

What do we observe in higher education?

- 
- A tunnel with a bright light at the end, symbolizing a path or journey. The light is a bright, circular glow at the far end of the tunnel, creating a strong contrast with the dark interior. The walls of the tunnel are dark and textured, and the floor is also dark. The overall atmosphere is one of mystery and hope.
- **Narrow-minded thinking**
 - **Old-fashioned teaching**
 - **Weak teamwork**
 - **Non-creative problems solving**
 - **Lack of application-oriented thinking**
